

May 2007

Greetings!

Enclosed is your pre-printed registration form and name badge for the Florida Annual Conference Event, June 6-9, 2007.

PLEASE BRING THE REGISTRATION FORM AND NAME BADGE WITH YOU TO REGISTRATION AT THE FLORIDA ANNUAL CONFERENCE EVENT!

Registration times are Tuesday, June 5, 2 to 7p.m.; and Wednesday, June 6, 8 a.m. to 3 p.m. Since you will be picking up your name badge holder at the event, a helpful hint is to wait until you register to separate your name badge from the registration form.

Your name badge also serves as the "identification card" that allows you to vote. The color of your registration form and name badge is determined by the relationship you have with the Florida Annual Conference. Your relationship with the Conference determines what you are allowed to vote on during the annual conference sessions. Enclosed is a "key" to the name badge colors and voting privileges. This year, in addition to the regular business matters, we will be electing our delegates who will represent the Florida Annual Conference at the 2008 General and Jurisdictional Conferences. Please note that only those clergy and lay members with blue and yellow name badges will be permitted to vote for General and Jurisdictional delegates.

Your pre-printed registration form records your attendance and registers you at the Annual Conference Event when you submit it at registration. You will receive your 2008 Delegate Voting Packet when you register. You must be present at registration to receive your voting packet.

Your pre-printed registration form also allows us to update our Conference database, should there be any changes in your information. It is vital that we have correct contact information. If you have corrections to make, please do so in the space provided and turn it in when you register. If you have corrections that will require a new name badge, such as an incorrect spelling, you can contact the Data Management Office at 800-282-8011, Ext. 102 or 179, until June 1. After June 1, all changes will be handled at registration.

TO CLERGY MOVING TO A NEW APPOINTMENT: The appointment printed on your registration form and name badge should reflect your current appointment, not your appointment as of July 1. Please provide new appointment information in the space provided on the form.

LAITY: If there has been a change and you are no longer the lay member for your church or you cannot represent your district, please contact your district office immediately. They will receive changes in their office up until June 1. After June 1, all lay member changes will be handled on-site at registration. A list of the district offices and telephone numbers is enclosed.

If you have corrections to make and are not able to attend the Florida Annual Conference Event, please send your corrected registration form to: Florida United Methodist Conference, ATTN: Data Updates, PO Box 3767, Lakeland, FL 33802; or simply e-mail your corrections to dataupdates@flumc.org.
