

You are invited!

- ...to belong with people making a difference in the world;
- ...to give so that others may be healed in Jesus' name;
- ...to make disciples of Jesus Christ.

The 2008 Florida Annual Conference Event, May 29-31, will focus on the five elements of The United Methodist Way: **Passionate Worship, Radical Hospitality, Intentional Discipling, Salty Service and Extravagant Generosity.**

Every congregation in the Florida Conference is invited to take a special offering and bring it to the Conference Event in Lakeland. This special offering impacts all five areas of The United Methodist Way.

The offering will be divided three ways: 60 percent will be directed to the East Angola/Florida Partnership; 20 percent will support the legal immigration counseling ministry in Central Florida, and 20 percent will strengthen Florida children's ministries with the Council of Bishops' Initiative on Children and Poverty.
