

2008 Florida Annual Conference Event Preschool* Child Care

*Child care is offered for preschool age children only!

The Florida Annual Conference and First UMC, Lakeland will again provide preschool child care for delegates who are attending business sessions of the 2008 Florida Annual Conference Event, Thursday, May 29, through Saturday, May 31. Preschool child care will also be offered on Friday afternoon for the Minister Mates Tea.

In order to provide this service, it is imperative that we know how many children will be attending, therefore pre-registration is required. If you show up at First UMC, Lakeland not having pre-registered, there is a very good possibility you will be turned away. Pre-registration ensures that we have enough child care workers on duty to meet the child/worker ratio (required by law) and also prevents us from having too many workers on duty, which hurts us financially. Please be considerate of the staff at First UMC, Lakeland; they are providing this service for you and for the Conference. If your child care needs change from what you initially request on the pre-registration form enclosed, please let them know so they can adjust their staffing needs accordingly. No shows really hurt us all!
