

## **The Conference Table**

### Report to the 2014 Florida Annual Conference

The Conference Table is to provide communication between leaders of the Annual Conference regarding the various ministries and responsibilities which presidents and chairpersons guide and to provide feedback to the Strategic Leadership Team.

The Conference Table met in Lakeland, Florida on Saturday, February 22, 2014. We were challenged by Bishop Ken Carter on our opportunities for ministry. Ms. Alice Williams reported from the Strategic Leadership Team. Mickey Wilson, Conference Treasurer gave a financial update, and Dr. Sharon Austin reported on the plans for The Annual Conference Event. The covenant being proposed at this year's Annual Conference evolved from discussion among those present at our last meeting. The Table engaged in small group discussion and reported back to the whole on anticipated outcomes in each area of responsibility that impact the conference mission.

The Conference table will meet twice in the coming year.
