

Thank you for registering for the Annual Conference Youth Delegation! Below you will find important information regarding the event.

Student Expectations:

- By choosing to be part of the youth delegation to Annual Conference, you are committing to staying in the dorms, taking your meals, and attending session with the delegation as a group.
- You will be on time for and participate in all activities during this event.
- You will abide by the rules set by the event leader and adult chaperones
- Youth members will not be allowed to leave the campus without being checked out and checked back in by a responsible adult (an adult indicated on the registration form as someone who is permitted to pick up the student)

Dress Code:

While we do not have a mandatory dress code, we encourage you to strive for business casual.

You need to do:

- Complete your Health History form, Student Expectation sheet, and AC Retreat Waiver – these forms are all available on the conference website beginning March 1, 2019. Scan and send them to Kelly by May 15, and bring your originals to AC for check in.
- Watch pre conference videos found on our Conference Website
- Plan to arrive at Florida Southern Campus and at Reynolds Hall by 2PM. All of your check in will be done there, you do not need to go anywhere else.
- Pack Clothing for 5 days of conference session. Plenary sessions are often cold, and June outside is hot. Layers are always a good idea, as well as rain gear (it's Florida)
- Pack Clothing for hanging out on grounds after session
- Pack personal clothing items, pajamas, and other personal care items. You will need bedding for a twin bed or a sleeping bag, and towels.

Staying informed:

During the event, there will be a good amount of social media interaction. At orientation you will be advised of the different media options which will help you to stay informed and to share your experience.

If you have any questions, need directions, etc, please contact Kelly Minter.
