3. All speeches shall be limited to three minutes per speech.
4. No member can speak a second time to a question until every member choosing to speak has spoken.
5. The member who made the motion is entitled to close the debate. If the previous question is ordered, the presiding bishop shall at once assign that member the floor to close the debate.
6. As long as there are members wishing to speak, a motion to call the previous question may not be made until there have been two speeches for and two speeches against the pending motion.

Section V. The Stewardship of the Conference

Par. 420. Conference Council on Finance and Administration (CF&A).

1. Establishment and Purpose. There shall be a Conference Council on Finance and Administration (CF&A) as provided in ¶ 611 - 628 of *The Discipline*, which shall work cooperatively with the districts and with the other program and administrative agencies of the Conference in matters of staffing, administration, finances and program.

3. Officers. The President, Vice-President, and other officers shall be elected by the CF&A. The President of CF&A shall be the convener of the Council.
4. Rules of the Council.
 - a. Fiscal Year is Calendar Year. The Conference fiscal year shall be the calendar year.
 - b. Budget Adjustments and Contingency Funds. CF&A may make adjustments within the Conference budget with the consent of the agencies involved. CF&A shall have authority to designate use of contingency funds, except contingencies in program-area budgets, which shall be controlled by the program agency.
 - c. Treasurer Oversees Budgets. The Conference Treasurer shall manage all expenditures of the Annual Conference.
 - d. Checks Payable to Entities. Checks written to agencies, boards, districts, committees, commissions, or institutions shall be made payable in the name of the particular entity and not to any individual related to the entity.
 - e. Administrative and Program Budgets Required. In cooperation with the Treasurer's office, each organization shall designate in its annual budget an administrative budget (which shall include all fixed costs, including staff payroll and benefits, taxes, utilities, debt service, insurance, etc.) and a program budget. Administrative costs shall have priority of payment.
 - f. Advances and Budget Changes. Advances against anticipated income for a program may be made if funds are available. Changes to the administrative budget may be made with CF&A approval. Changes to the program budget may be made with CF&A approval when requested by the agency involved. Requests for making changes in budgets and for funding of unbudgeted projects or programs may be brought to CF&A for consideration.

2019 Journal of the Annual Conference – Part IV

- g. Zero-base budgeting; budget requirements. The annual budgets for all Conference program and administrative entities shall be prepared on a zero-base. It is intended that all programs, projects, and functions, old and new, be analyzed and re-evaluated on a year-to-year basis; that groups requesting budgeted funds shall frame their request in terms of the Conference vision and mission; and that groups justify their requests in detail to explain why money is needed, specifically what it will be used for, the resulting benefits, and what would result if the request were denied. The groups requesting budgeted funds shall propose alternative courses of action, suggest levels of funding to fulfill pre-stated goals, and rank proposed activities in their order of importance. CF&A shall prepare guidelines to assist the groups requesting budgeted funds in their preparation of annual budget requests in accordance with this standing rule.
 - h. Financial Reports/Audits Required. All entities, including the districts, receiving funds through the CF&A or the Conference Treasurer's office shall present an annual financial report and/or audit to CF&A following the guidelines and within the time frame as specified by CF&A, including a statement of all monies held in reserve accounts. When there is failure to comply with this rule, CF&A may decline to consider requests for funds for the following year and/or may withhold funds until such report is received.
 - i. Conference Reserve Fund. CF&A is authorized to maintain a Conference reserve fund which may consist of: funds budgeted for that purpose; funds received from whatever source for activities which have been terminated and which remain unused; year-end unused balances in the budget of conference program and administrative areas; and income earned by the investment of the cash flow in the Conference Treasury. The Conference reserve fund may be used to manage cash flow and/or allocated to specific needs as approved by CF&A. Status and uses of the Conference reserve fund shall be reported at regular sessions of the Annual Conference.
 - j. Executive Committee Acts as Personnel Committee. The Executive Committee of the Council on Finance and Administration, including the Bishop or the Bishop's designee, the Conference Treasurer, the Director of Connectional Ministries, and the Human Resources Director shall serve as the Personnel Committee for Conference employees and shall be responsible for setting policy, benefits, and compensation; and handling grievances. This rule does not limit the role of the Conference Board of Ordained Ministry or the Conference Board of Pension and Health Benefits in relation to clergy matters.
 - k. Emergency Borrowing. In the event of a major emergency between sessions of Annual Conference and with the approval of the Bishop and a four-fifths majority of the Cabinet, a four-fifths majority of the Trustees, and a four-fifths majority of the Council on Finance and Administration, the Council on Finance and Administration may borrow up to one million dollars and/or, with the consent of other agencies, may suspend payment of, or reallocate, monies within the Conference budget.
 - l. Approval Required for Obligations in Excess of Budget or Resources. No agency or entity of the Conference shall be allowed to obligate itself beyond its approved budget or available resources without the prior approval of the Cabinet and CF&A. This rule does not apply to Bethune-Cookman College, Florida Southern College, the Florida United Methodist Children's Home, the Florida Conference Foundation, or to District Boards of Mission and Church Extension.
5. Policies of the Council.
- a. Mileage Allowance. The mileage allowance for all persons traveling by automobile for conference meetings is set at the IRS allowable business rate plus tolls actually paid. Actual expenses for travel by other means will be reimbursed up to, but not exceeding, the above mileage rate. Per diem amounts will be set by the executive committee of the Council on Finance and Administration (CF&A); in hardship situations the Chairperson of CF&A, in consultation with the conference treasurer, may adjust these amounts. Persons authorized to represent the conference in an official capacity in meetings beyond conference bounds may be reimbursed for actual expenses. Prior approval from the conference treasurer is required for reimbursement. The group or person requesting approval must also indicate which fund will be used for reimbursement. In keeping with the spirit of good stewardship, expenses are to be kept to a minimum. To maximize resources of both time and money, conference groups should meet only when necessary to accomplish conference business. Whenever possible, groups are also encouraged to schedule meetings in conjunction with other conference events.
 - b. Housing Allowances to Conference employees. Housing allowances, when provided to employees of conference institutions and groups, shall be based on the prevailing rental rate in the area in which the staff member housing is located. Professional staff occupying conference-owned parsonages are responsible for

2019 Journal of the Annual Conference – Part IV

stewardship of the parsonages in accordance with the Florida Annual Conference Parsonage Guidelines as published in the 2008 Conference Journal and/or as amended.

- c. Fair Share Formula for Apportionments. The fair share formula shall be used to determine the local church apportionment for all conference and general church budget areas. The fair share formula is based on the items as reported from chartered churches in lines 39 through 47 of Table II of the most recent year-end statistical report compiled by the conference statistician. These items include Pastor & Associate Compensation, Deacon & Diaconal Compensation, Other Staff Compensation, Current Expenses for Program, and Current Operating Expenses. Compensation includes housing allowances and housing related expenses paid to Pastors, Associates, Deacons, Diaconals, and other staff. In reporting Operating Expenses, churches should not include payments made to the conference for the conference's ministry protection program for property and casualty, workers compensation, or automobile insurance. Each local church should include only those expenses of their "tuition based" school actually paid by the local church. Expenses of the school, paid by tuitions, are not to be included. Expenses incurred at the local church, but reimbursed by the Conference through items such as equitable compensation should not be included in the calculation to the extent they are reported by the local church. Apportionments may be phased in for newly chartered churches or in adoption/ merger situations as approved by the Council and the Director of New Church Development. The Florida Annual Conference recognizes the importance of New Church Development and the role of the Mother/Daughter relationship. Therefore the expenses of the Daughter church, which are paid by the Mother church, should not be included in the operating expenses of the Mother church for the purpose of computing apportionments; such expenses are to be reported by the daughter church. The total amount spent on these items in each local church is divided by the total amount spent on these items for all conference churches. This calculation determines each local church's fair share percentage or decimal. This fair share decimal is then multiplied by the amount approved for each area in the conference budget to determine the amount each local church is asked to give. Each district shall ensure that the total amount apportioned to the churches in that district is fully paid. Each district may decide how the apportionments within the district will be shared by the churches in order to achieve the 100 percent goal. Any Clergy Support apportionment and Episcopal Fund apportionment not fully paid by a church shall be carried forward to the next year and added to that church's apportionment. Apportionments shall be given in full and on a timely basis. Local churches are encouraged to give 10 percent of each apportionment item per month during the first 10 months of the year.
- d. District Work Fund Apportionment Formula. District Work Fund apportionments shall be calculated using the same formula for all churches in every district throughout the Conference, based on the compensation paid to the church's pastor(s) and other appointed clergy. The Cabinet and CF&A together shall establish an upper limit percentage to use in this formula so that district-level mission, ministry and administration are adequately funded, in keeping with the spirit of good stewardship, while taking into consideration the individual districts needs and resources.
- e. Not obligating Conference funds in excess of anticipated income. Except as otherwise provided in these Standing Rules or in the Discipline, no agency, individual or group may obligate conference funds in excess of anticipated income. CF&A shall have authority to make amendments to a budget to accommodate pressing needs but those amendments must be proposed to CF&A for consideration and will be considered in the context of available funds and other conference priorities. Funds will be available "On Ratio" as received. See particularly Standing Rule 419.4.b, 419.4.c, 419.4.f, and 419.4.i.
- f. Budget Submission Policies. Any board, agency or other entity seeking funding in the conference budget shall submit their budget requests to the conference treasurer not later than the tenth day of January for inclusion in the budget to be presented to the Annual Conference that year. The CF&A executive committee may grant reasonable extensions to the deadline. Any entity that has designated or other funds available to them will provide that information when submitting their budget requests. Each group's budget request must be in the format and include the information requested by CF&A. The budget request must include line item explanation of the amounts requested and show the signature of the chairperson or secretary of the group.
- g. Line of Credit. The Council on Finance and Administration is authorized to negotiate favorable rates for and to establish a loan or line of credit (secured or unsecured) not to exceed \$15 million (\$15,000,000). In the event of a financial shortfall this loan or line of credit would be used to manage cash flow needs for operations of the

2019 Journal of the Annual Conference – Part IV

Conference. Any use of this loan or line of credit shall be reported to the Annual Conference upon its next meeting.

- h. Empowerment to Act Between Sessions of Annual Conference. The Council on Finance and Administration, in consultation with the Bishop, is empowered to act on financial, apportionment, or billing matters between sessions of the Annual Conference. Such actions shall be reported to the Annual Conference upon its next meeting.
- i. Executive Committee is Personnel Committee. The Executive Committee of the Council on Finance and Administration shall be the Personnel Committee of the Conference, and shall have authority to act on all personnel matters, including, but not limited to matters concerning staff compensation, employment, and other human resource matters. These decisions will be made after careful study, research, evaluation and consultation with appropriate experts, consultants and other resources available at the time.
- j. Salaries for District Superintendents. The salaries for district superintendents will fluctuate annually according to the percentage change in the Florida Conference Average Compensation of clergy members, as calculated and published by the General Board of Pensions and Health Benefits. Additionally, each district superintendent will be reimbursed for business expenses, included business travel, at the IRS allowable business rate.

Par. 421. Conference Board of Trustees

7. Review of Building Plans. Before a building can be built, altered, or purchased 1) by a Conference agency with the Trustees holding title; or 2) with direct appropriations from the Conference budget; the Trustees must review and approve any plans at both the preliminary and final drawing stages and/or approve the purchase. The cost of this review shall be assessed against the projects involved.
8. Capital Maintenance Endowments. It is expected that the cost of all new buildings shall include funding for a capital maintenance endowment designated to pay for some of the future capital maintenance needs of the building.
9. Repair and Maintenance. The Trustees are responsible for ensuring that repair and maintenance of all Conference-owned property is properly carried out by the agencies that oversee them.
10. Staff Housing for Clergy. Where residences are owned by the Conference and available, staff persons are to reside in them. Maintenance for the housing will be paid by the Conference Agency that hired the staff person. In cases where a housing allowance is paid in lieu of a parsonage, the employing entity shall negotiate a satisfactory housing allowance and be responsible for paying it.
11. Certificate of Insurance Required. A certificate of insurance shall be furnished to the Conference Board of Trustees by companies performing work on Conference property. The Trustees shall require Conference agencies, which control the use of Conference-owned property, to provide adequate insurance to cover all legal liability of the Trustees and those using the property.

Par. 422. Ministry Protection Committee.

1. Establishment and Purpose. There shall be a Ministry Protection Committee that shall have overall supervision of the Property, Liability, Workers Compensation, and other related insurance and Ministry Protection programs of the Florida Annual Conference. The Committee shall report to, and be amenable to, the Conference Council on Finance and Administration. 2019 Journal of the Annual Conference – Part IV

contracts, designating the types and limits of insurance included in the program, establishing the financial parameters of the program, and other appropriate matters relating to the Conference-wide Ministry Protection program.

2. Risk Manager Expenses. The positions of Risk Manager and support staff shall be established within the office of the Conference Treasurer. Budgeting of the Ministry Protection Department and the expenses of this Committee are contained within the administrative management fee of the Ministry Protection program. These fees are to be paid out of premiums, not apportionments, are to be reviewed and approved by the Committee, and are subject to approval by the Conference Council on Finance and Administration.
3. Membership. The Committee will consist of eight members-at-large, who will be placed in four classes of two persons each, and who will serve for four year terms. The Committee will not be limited to, but must include, members with insurance, legal, pastoral, and financial experience. The Conference Council on Finance and Administration will appoint from among its membership one member with voice and vote to this Committee. The Conference Trustees will appoint from among its membership one member with voice and vote to this Committee. The Cabinet will appoint one District Superintendent to this Committee. The Cabinet representative, the Conference Chancellor, the Conference Treasurer, and the Conference Risk Manager will serve as ex-officio members of the Committee. The Committee, at its discretion, may invite others to serve as ex-officio advisors to the Committee.
4. Officers. The Committee shall nominate, and the Conference Council on Finance and Administration shall elect, the Chair, Vice-chair, and (if needed) other officers of the Committee.

Par. 423. The Conference Board of Pension and Health Benefits (CBOPHB) shall have the organization and function of the predecessor Board of Pensions.

1. Membership. The Board shall consist of fifteen members: one third laywomen, one third laymen, and one third clergy, elected for a term of eight years and arranged in two classes as nearly equal as possible so that one half will rotate each quadrennium. A District Superintendent appointed by the Bishop, the Director of Human Resources and Benefits, the Conference Treasurer and the Assistant Treasurer for Administration shall serve as ex-officio members. Additional ex-officio members with voice, but without vote, who bring special interest and skills may be added to the CBOPHB as needed.
2. Officers. The Board shall elect from its membership a Chair, a Vice-Chair, Secretary and a Chair of the Preacher's Relief Board. The Vice-Chair shall also Chair the Health Insurance Subcommittee and shall represent the Conference in matters related to health insurance. All members of the CBOPHB are also members of the Preacher's Relief Board which represents the CBOPHB in matters relating to grants and real property.
3. **Qualifying for Active Clergy Health Insurance Program.** The administrative rules governing the active clergy health insurance program became effective January 1, 2017 and replaces the predecessor mandatory clergy health insurance program that terminated on December 31, 2016 are as follows:
 - a. Effective January 1, 2017, all local churches, Districts and Conference staff with appointed eligible full time clergy are required to offer full time clergy either a health insurance plan *or* additional compensation to purchase other insurance.
 - b. The church will no longer pay the Conference a premium for health insurance and instead will either provide a health insurance plan for clergy members and their family or increase the annual salary so eligible clergy can purchase a private insurance plan.
 - c. Eligible clergy are actively working full time clergy (including Deacons) appointed to a local church, District or Conference staff. Clergy members have special recognition by the IRS and are considered self-employed persons and as such are not considered "employees" under the Affordable Care Act.
 - d. The Conference Board of Pension & Health Benefits will determine the amount of additional compensation. This additional compensation, paid in lieu of health insurance, will be based on the clergy family size. This additional salary is taxable income and should be properly reflected as such on clergy members' W-2 tax form. And the church should pay eligible clergy this additional compensation according to regular payroll practices. The Conference Board of Pension & Health Benefits (CBOPHB) will monitor the amount of compensation paid to clergy in lieu of health insurance annually and issue required updates as needed.
 - e. If the church offers a health insurance plan they don't need to alter or change the coverage provided or how the church chooses to share the cost of the insurance. It's the clergy member's choice to accept the insurance plan *as offered* or decline it and request the additional compensation to purchase health insurance. However, clergy members who are offered a plan and decline it are not eligible for Premium Tax Credits (government subsidies) if they purchase insurance coverage through the Marketplace.
 - f. Clergy must make an election to either accept the health insurance plan offered by the local church (if available) or request the additional compensation before Charge Conference forms are completed and submitted to the

2019 Journal of the Annual Conference – Part IV

- District. Any change in family members that will impact the stipend amount will be approved at the church level and will not require a Charge Conference.
- g. Clergy who have other insurance can “opt-out” of health insurance provided by the local church. Clergy members can decline the insurance plan offered and decline the additional compensation. This “opt-out” requires the approval of the District Superintendent to make sure there is no effort to coerce clergy members to forfeit benefits. The opt-out election must be recorded on the Compensation Charge Conference form.
 - h. Clergy *not eligible* for required employer support are those who are either serving part-time, Lay Supply Pastors, Clergy appointed to extension ministries, or retired clergy serving an appointment.
 - i. Eligible clergy who are currently on paid leave (such as renewal leave) or clergy who take a future **paid** leave of absence must continue to be paid the additional compensation for health insurance. Those clergy who take a personal, sabbatical, transitional, or any other **non-paid** leave are not eligible for compensation to purchase health insurance.
 - j. Clergy applying for disability from the Comprehensive Protection Plan (CPP) remain eligible for additional compensation for health insurance while their application is pending and will be paid by the current Salary Paying Unit. Once an applicant is approved for long-term disability, their compensation to purchase health insurance will be paid by the Conference. If the application is not approved, the clergy's compensation (including additional compensation for health insurance) will be suspended pending an appeal and final disposition of the claim for disability benefits.
 - k. Clergy couples who have dependents will be classified as a family for benefit purposes. As such, clergy couples (either two party or families) must make an election decision for the family unit. Clergy members serving at the same Salary Paying Unit (SPU) who have dependents and choose to enroll in the local church insurance plan must be classified as a family. Or, clergy members can request the family stipend of the additional compensation which may be shared between the SPUs annually for each clergy to use to purchase alternative insurance coverage for the family. The additional compensation shared between the clergy couple should not exceed the total family stipend amount.
 - l. SPUs are advised that the requirement to compensate clergy to support the purchase of health insurance cannot be conditioned on the actual purchase of health insurance. The SPU cannot require clergy to provide proof of insurance.
 - m. "The CBOPHB may modify these rules until the next annual conference if a legislative/regulatory change in the Affordable Care Act or exit from the Exchange of Florida providers becomes probable. The CBOPHB will judiciously exercise its fiduciary responsibility to ensure all full-time, active clergy have a viable healthcare benefit.
4. **Qualifying for Conference Sponsored Retiree Health Insurance Program.** These provisions are only available for fulltime clergy who are ordained ministers, deacons or Board approved local pastors as well as members of the Florida Annual Conference. Clergy who transferred their membership to the Florida Conference after January 1, 2003 will not receive credit for retiree supplemental health benefits for prior service in other Annual Conferences.
5. Administrative Rules Governing Eligibility & Benefits for the two Retiree Healthcare Supplement_Programs are optional choices for eligible clergy at the time of retirement and are outlined below:

Grandfathered Plan

- Clergy who are members of the Florida Conference are eligible for the Grandfathered Plan (Medicare supplement) where the Conference provides support to retired clergy to purchase health insurance when these criteria are met:
- Clergy who are 55 or older with a minimum of 35 years of service or were age 64 or older on July 1, 2014 and served in an appointment made by the Bishop of the Florida Conference and were enrolled in the Conference health insurance program on July 1, 2014 may elect the credit-based retiree health insurance plan when they retire for themselves and their eligible spouse. This plan functions as a Medicare supplement for those retirees who are receiving Medicare This is the only eligible group who qualifies for the credit-based plan. If you are not receiving Medicare, this arrangement is not an option.
- A clergyperson must have a minimum of 10 years of service in Florida and credits are limited to 40 years of service_for awarding service credits. (Each year of service reduces the retiree’s premium payment toward their Grandfathered Medicare supplemental plan).
- Due to the change from the clergy-provided Conference health insurance plan to the health stipend, beginning

2019 Journal of the Annual Conference – Part IV

January 1, 2017, clergy members of the Florida Conference must have been appointed to a local church within the Florida Conference and may be enrolled in a church health plan or provided the health stipend. In addition, he/she must have served continuously in a local church within the boundaries of the Florida Conference or appointed on staff at the Florida Conference for the last ten years of their career, prior to retirement, to be eligible for a future retiree health benefit.

- For those who began service in the Florida Conference prior to January 1, 2003, all years of service in all conferences of The United Methodist Church will be credited.
- The retiree healthcare subsidy for the Grandfathered Plan applies to the retired clergy and his/her_Medicare-eligible_spouse and will continue for the spouse even if the clergy precedes the spouse in death. The surviving spouse will continue receiving the retiree healthcare subsidy until his/her death or upon remarriage.

Health Reimbursement Account Effective July 1, 2014.

- The Health Reimbursement Account (HRA) is an account-based plan that provides an annual subsidy for the purchase of health insurance in retirement based upon total years of service **at the time of retirement** in the Florida Conference. The following are specific details on plan eligibility and benefit provisions:
- **HRA Plan Eligibility.** Only clergy with **membership** in the Florida Conference serving full time under Episcopal appointment and were enrolled in the Conference health insurance program on July 1, 2014 will be eligible for the new HRA benefit upon retirement. Full time is defined as an appointment at or above minimum salary for each type of clergy category as defined in the Conference journal. Clergy members of the Florida Conference who were not enrolled in the Conference health insurance plan on July 1, 2014 are not eligible for a future retiree benefit. As of July 1, 2014, clergy who are currently on unpaid leave or clergy who take a future personal, sabbatical, transitional, or family leave of absence or any other non-paid leave are limited to 12 months HRA service credit. Non-paid leaves of more than 12 months will not be-credited service for HRA eligibility.
- Clergy receiving a disability benefit from the Clergy Protection Plan (CPP) will be subject to the same eligibility rules for either the credit-based or HRA plan upon retirement. Service credits will be awarded to clergy while receiving CPP disability benefits.
- Anyone not meeting the HRA Plan eligibility requirements as of July 1, 2014 as stated above is not eligible for a future HRA benefit or any subsidy from the Conference for the purchase of health insurance as a retiree.
- **HRA Plan Benefit Provisions.** Effective July 1, 2014 those clergy who met the eligibility requirements stated above and who completed a minimum of 10 years of service appointed to the local church or Conference, with membership in the Florida Conference, and are at least age 60 will receive an annual HRA contribution upon retirement. The amount of the annual HRA contribution varies with the retiree's age and years of service at retirement and will remain fixed at that amount.
- Clergy couples will be provided individual HRA account contributions based on their own individual age and years of service at date of retirement.
- Upon the death of the retired clergy member, the surviving spouse will receive an annual HRA contribution equal to 75% of the retiree's amount rounded to the nearest \$100. The surviving spouse will continue receiving the annual HRA contribution until his/her death or upon re-marriage.
- If an actively working clergy member passes away and would have been eligible for retiree healthcare supplemental benefits on the date of death, the HRA will be offered to the surviving spouse when he/she reaches age 60. However, if the clergy member passes away before reaching retiree healthcare eligibility, an HRA benefit or any subsidy from the Conference for the purchase of health insurance will not be offered to the surviving spouse.
- The CBOPHB will review the annual HRA contribution schedule at least every four years to determine future increases

Par. 424. The Elections Procedures Committee and Elections Procedures for Delegates to General and Jurisdictional Conferences.

1. The Elections Procedures Committee.
 - a. Establishment. The Florida Annual Conference is given the responsibility to help shape the future of The United Methodist Church when it selects and prepares its delegation for General and Jurisdictional Conferences. The Elections Procedures Committee is established to guide the orderly process of electing delegates including recommending changes in these Standing Rules, to set the method of voting for delegates (in consultation with Annual Conference Program Committee), to monitor delegate elections, and to be the final arbiter of any and all election disputes. The committee's hope is to call the Annual Conference to a prayer-centered process of spiritual discernment in preparation for the delegate elections. The hope is that this process will create opportunities for the Spirit of God to call forth from among us faithful witnesses who will become the agents of God's purpose for the future of the church.
 - b. Membership. The committee shall consist of six members and serve a term of one quadrennium. Committee members may succeed themselves. The Conference Secretary will serve as an ex-officio member of the committee unless elected as a member of the committee. The Conference Committee on Leadership shall determine the Chair of the committee. The Chair shall hold office for the entire quadrennium for which he or she serves on the committee.
2. Election Parameters.
 - a. That the Annual Conference approach the election process with a clear center in prayer.
 - b. That the Annual Conference encourage opportunities for groups of clergy and laity to listen to Scripture, share their sense of God's vision for the church, and enter into disciplined prayer for the election process.
 - c. That the Annual Conference commit ourselves to being open to the call of God upon the lives of people who represent the diversity and strength of the local congregations of the Florida Annual Conference in terms of age, sex, race, ethnic background, language, orders of clergy, geography, theological perspective and experience.
 - d. That the Elections Procedures Committee create clear guidelines by which the Annual Conference can gather and share pertinent information about nominees which will assist the voting members of the Annual Conference in their selection of delegates to General and Jurisdictional Conferences.
3. District Responsibilities. The Cabinet and the Board of Lay Ministry are charged to discover the most appropriate way for each District to participate in the Spiritual Journey to General and Jurisdictional Conferences. It is hoped

2019 Journal of the Annual Conference – Part IV

that each District will create and implement an educational strategy which will include at least the following items: the process for nomination; spiritual discernment and how to recognize the call to serve; lifting up the issues and concerns likely to be addressed during General and Jurisdictional Conferences; the financial and time requirements expected of those elected to serve; reflection upon the unique needs and demographics of the Florida Annual Conference; and praying for the Spirit to provide the names of those who can best represent our Annual Conference. Each District will intentionally encourage clergy serving in an appointment beyond the bounds of the District or Annual Conference to consider serving as a delegate to General and Jurisdictional Conferences. Each District will provide a way for nominees from that District to share their vision for the Church. Each District is encouraged to pray regularly for all of the nominees.

4. Nominations Process for Lay Persons. Lay persons desiring nomination and election as a delegate to General and Jurisdictional Conferences will follow the process outlined below.
 - a. Any person who has been a member of The United Methodist Church for at least two years preceding their election, has been an active participant in The United Methodist Church for at least four years preceding their election and is a member within the Florida Annual Conference at the time of the General and Jurisdictional Conferences is eligible for nomination.
 - b. A cover letter and nomination form will be posted on the Conference web site in September preceding the Annual Conference session of delegate elections. The nomination form requests the following information: name; address; occupation; local church; District; race/ethnicity; confirmation about the ability to attend the required meetings; age bracket (under 21, 21-29, 30-39, 40-49, 50-59, 60-69, 70 and over); and experience in the church (local, District, Conference, or General). Nominees will be asked to answer in 250 words or less (only the first 250 words will be printed) one of the following questions: “Why do you feel called to be a delegate to General and Jurisdictional Conferences?” or “What is your vision for The United Methodist Church?” Nominees are encouraged to electronically submit a recent digital photograph during the on-line registration process.
 - c. Nomination forms filled out on the Conference web site will be electronically dated upon completion. In order to include nominee’s biographical information and photograph in the pre-Conference materials, the nomination form on the Conference web site will not be available after February 15 preceding the Annual Conference session of delegate elections. Nomination forms submitted via U.S. Mail must be postmarked no later than February 15 preceding the Annual Conference session of delegate elections and are to be mailed to the Chair of the Elections Procedures Committee. Any disputes will be adjudicated by the Elections Procedures Committee.
 - d. The names, addresses, photographs, and statements will be printed in alphabetical order in the Conference Workbook of the session of Annual Conference in which delegate elections occur. An alphabetical listing will also be placed on the Conference web site.
 - e. All Lay nominees will be introduced at the Lay Orientation session of the Annual Conference where delegates are elected. The Annual Conference Program Committee will provide a time to meet the nominees prior to the first ballot. Nominees will have a special designation to wear to indicate that a person is a nominee.
 - f. To allow for spiritual discernment for persons sensing a call to serve as a delegate to General Conference and Jurisdictional Conferences after the February 15 deadline, representatives from the Elections Procedures Committee will be stationed at a table in the area designated for the Lay Session meeting with blank self-nomination forms. The representatives will be available from 8:00 a.m. until 11:00 a.m. on the day of the Lay Session for persons desiring to be considered for election to provide the required information. All of the provisions in 4.(a) and 4.(b) above must be satisfied and verified. If approved, the person will be assigned a ballot number and will be eligible for consideration. A handout with the additional names and ballot numbers will be provided to voting members prior to the first ballot. Persons adding their names in this manner will not be introduced at the Lay Orientation Session, will not have their biographical information printed or posted on the Conference web site, and will not be permitted to introduce themselves to the Annual Conference during a regular business session. Copies of the completed forms will be posted on a bulletin board in a strategic location determined by the Elections Procedures Committee for voting members of the Annual Conference to review prior to the first ballot. Persons adding their names in this manner may provide, at their own expense, copies of their completed form to be placed on the Ushers’ Table for members to pick up and review prior to the first ballot.
 - g. Nominations from the Floor. In light of ¶ 34 of the *Book of Discipline* that states “Such elections shall include open nominations from the floor by the annual conference ...” the Florida Annual Conference encourages anyone who would like to be nominated to use the above protocol. At the beginning of the Annual Conference session, nominations can be received from the floor at the direction of the presider. Delegates nominated will need to indicate their willingness to serve, complete the form as indicated in 4.b and validate their eligibility.

2019 Journal of the Annual Conference – Part IV

The nomination form requests the following information: name; address; local church; district; race/ethnicity; confirmation about the ability to attend the required meetings; and age bracket (under 21, 21-29, 30-39, 40-49, 50-59, 60-69, 70 and over). Nominees will be asked to answer in 250 words or less (only the first 250 words will be printed) one of the following questions: “Why do you feel called to be a delegate to General Conference and Jurisdictional Conferences?” or “What is your vision for the United Methodist Church?” Nominees are encouraged to electronically submit a recent digital photograph during the on-line registration process.
 - b. Nomination forms filled out on the Conference web site will be electronically dated upon completion. In order to include nominee’s biographical information and photograph in the pre-Conference materials, the nomination form on the Conference web site will not be available after February 15 preceding the Annual Conference session of delegate elections. Nomination forms submitted via U.S. Mail must be postmarked no later than February 15 preceding the Annual Conference session of delegate elections and are to be mailed to the Chair of the Elections Procedures Committee. Any disputes will be adjudicated by the Elections Procedures Committee.
 - c. The names, addresses, photographs, and statements will be printed in alphabetical order in the Conference Workbook of the session of Annual Conference in which delegate elections occur. An alphabetical listing will also be placed on the Conference web site.

To allow for spiritual discernment for persons sensing a call to serve as a delegate to General and Jurisdictional Conferences after the February 15th deadline, representatives from the Elections Procedures Committee will be stationed at a table in the area designated for the Clergy Session meeting with blank self-nomination forms. The representatives will be available from 8:00 a.m. until 11:00 a.m. on the day of the Clergy Session for persons desiring to be considered for election to provide the required information. Only those clergy members eligible to serve in accordance with *The Book of Discipline* may register. A handout with the additional names and ballot numbers will be provided to voting members prior to the first ballot. Persons adding their names in this manner will not have their biographical information printed or posted on the Conference web site and will not be permitted to introduce themselves to the Annual Conference during a regular business session. Copies of the completed forms will be posted on a bulletin board in a strategic location determined by the Elections Procedures Committee for voting members of the Annual Conference to review prior to the first ballot. Persons adding their names in this manner may provide, at their own expense, copies of their completed form to be placed on the Ushers’ Table for members to pick up and review prior to the first ballot. No further names may be nominated or considered for election after the 11:00 a.m. closing of the on-site registration station.
 - e. Nominations from the Floor. In light of ¶134 of the *Book of Discipline* that states “Such elections shall include open nominations from the floor by the annual conference ...” the Florida Annual Conference encourages anyone who would like to be nominated to use the above protocol. At the beginning of the Annual Conference session, nominations can be received from the floor at the direction of the presider. Delegates nominated will need to indicate their willingness to serve, complete the form as indicated in 5.a and validate their eligibility. They will be given the right to distribute materials as noted in 5.d. Nominations from the floor will be assigned a ballot number.
 6. Election Process.

2019 Journal of the Annual Conference – Part IV

- c. When the Bishop, or person designated by the Bishop, announces the results of election ballots, the names and ballot numbers of persons receiving votes will be projected on the screens in preparation for the next ballot.
 - d. To expedite the election process, ballot results will be reported as follows:
 - 1) 1st ballot - All names receiving votes will be read.
 - 2) 2nd – 4th ballot - First 25 names will be read.
 - 3) Remaining ballots - First 10 names will be read.
 - e. At specific points in the election process, the Elections Procedures Committee will report to the Conference on the inclusiveness and diversity of the elected delegation.
7. Policy for Tie Breaks. In the event of a tie between two or more nominees for the last available position on the General and/or Jurisdictional delegations, a run-off election will be ordered by the Bishop to select the person to fill that position. Only the names of those in the run-off are open for votes. The names, with their corresponding number of votes, will be read in the order of their election. The person with the highest number of votes cast will be seated with the appropriate delegation.
 8. Invalid votes. An invalid vote is a vote that does not conform to the election procedures set forth in the Standing Rules or any other procedures adopted by the Annual Conference prior to the first ballot. An invalid vote only invalidates the specific vote that was cast incorrectly. The Elections Procedures Committee shall be the final arbiter of all decisions concerning invalid votes or ballot challenges.
 9. Reserve Delegates. Reserve delegates to General Conference will be those elected to Jurisdictional Conference in the order of their election. Reserve delegates to Jurisdictional Conference will be elected on a single ballot with the seven persons receiving the greatest number of votes in each category being elected in order of the votes received. The first two (2) elected Lay and Clergy delegates to Jurisdictional Conference will serve as alternates to the General Conference delegation.
 10. Information Distribution. In keeping with the historic principles of The United Methodist Church that each delegate votes their individual beliefs and convictions and with the traditions of the Florida Annual Conference for inclusiveness and diversity in thought and practice, all nominees are requested to refrain from distributing printed material about themselves or their positions on issues before, or during, the election process. Only those nominees noted in paragraphs 4.f and 5.d above are permitted to place copies of their completed nomination form at the Ushers' Table for distribution.

Section VI. Episcopal Committees

Par. 425. Committee on Episcopacy. Pursuant to ¶ 610 of *The Discipline*, the following provision shall be added to the requirements of ¶ 637 of *The Discipline*: The committee shall have 12 members comprised of three laywomen, three laymen, and six clergy, insuring diversity and knowledge of the mission of the annual conference. Section I. Rules Governing Districts

Par. 601. Districts of the Annual Conference. The Conference shall be divided into the following districts: Atlantic Central; East Central; Gulf Central; North Central; North East; North West; South East; and South West.

Par. 602. District Structure. The Annual Conference, pursuant to ¶ 610 and ¶ 661 of *The Discipline* and those paragraphs of *The Discipline* that allow it some discretion in structuring agencies required by *The Discipline*, gives authority to the District Superintendent, as the chief missional strategist, and District Lay Leader, in consultation with the Annual Conference, to organize its ministries, work areas, task forces, and committees, as it shall deem advisable to carry out its purpose. They must also ensure all Disciplinary requirements are met. Any changes to the structure of a District shall either be approved by the Annual Conference or, if needed, an appropriately called District Conference (see ¶ 658 and 659 of *The Discipline*)

Each District shall have:

1. A leadership group consisting of lay and clergy leadership who shall assist the District Superintendent in major strategic decisions. This leadership group shall ensure there is a strategy for starting and growing vital chartered congregations as well as engaging in mission to the world. The District Superintendent shall be an ex-officio member. The District may choose to have one or more committees to fulfill these functions, and may name the groups as each District determines.
2. There shall be a group (or groups as determined by the District or included in the work of the leadership group or another group) who will ensure intentional work on congregational vitality, including the development of new churches and ministries. This group (or another as determined by the District) shall be responsible for all district funding decisions related to mission and church extension.
3. In addition to its basic responsibility, this leadership group (or another group as determined by the District) must function, as needed, as the District's Board of Trustees. The District Board of Location and Building may be included as a function of one of these groups or be separate. The group meeting as the Board of Trustees shall meet the requirements of ¶ 2518.
4. This leadership group (or another group as determined by the District) must fulfill the functions of the District Committee on Superintendency and ensure that all the guidelines on membership, selection, meeting and purpose of the District Committee on Superintendency as stated in ¶ 669 of *The Discipline* are accomplished. They shall submit an annual written report of their work to the Bishop as it applies to the role of the Committee on Superintendency.
5. One committee of the District (as determined by the District) shall have the responsibility to elect the lay delegates at large to Annual Conference. The District Committee on Lay Leadership shall provide nominees for the delegate positions.
6. Assignments. The leadership group (or other similar structure) will assign members and groups to serve and accomplish these special roles at its first meeting in the year.

This same group will determine the District's method for receiving, evaluating, and approving existing and new district advance specials, in consultation with and after approval by the Conference Committee on Finance and Administration.

Par. 603. District Committee on Leadership (Nominations).

1. Establishment. Each district shall have a District Committee on Leadership (Nominations).

2. Membership. The District Housing Committee shall be composed of six to nine members elected annually at the same time and in the same manner as other leadership of the District is elected. All members shall be professing members in local United Methodist Churches of that District. Membership of the committee should reflect the churches of that District with regard to size, race, and ethnic makeup. Recommended membership of the committee should be one-third clergy, one-third laywomen, and one-third laymen.
3. Responsibilities. The responsibilities of the Committee are as follows:
 - a. Work in cooperation with the District Board of Location and Building to ensure that all proposed parsonages fulfill the requirements for parsonages as stated in the Standing Rules and *The Discipline*;
 - b. Be available, at the invitation of the District Superintendent, to mediate conflicts between churches and pastors regarding parsonages or housing allowances.
 - 1) Local churches (via trustees, parsonage committees, or staff-parish committees) or the clergy family may request mediation.
 - 2) Although it has no binding authority, the Committee would work with the local church, District, and Conference leadership to resolve the issues.
 - c. Approve the housing allowance offered by any church in lieu of a parsonage. In reviewing and approving all housing allowances for clergy in the District, the committee shall insure the allowance complies with the Standing Rules and *The Discipline*. The Committee must review these allowances at least once every four years to insure they represent the housing market of the time.
 - d. Ensure all clergy housing complies with the Standing Rules. In order to ensure compliance, the Committee shall:
 - 1) assist local churches in developing plans to bring parsonages up to the required standards; and
 - 2) extend deadlines for up to three years if churches are working in good faith to fulfill the standards.
 - e. Inspect each parsonage in the District at least once every four years or more frequently when:
 - 1) requested by the pastor;
 - 2) requested by local church Trustees, Parsonage Committees or Staff-Parish Committees;
 - 3) needed to insure agreements through mediation are being fulfilled in a timely manner;
 - 4) needed to insure upgrades are being done as agreed upon;

The clergy shall include elders and deacons, and where possible, women and ethnic clergy, a deacon or elder who is age 35 or younger, an associate member, and may include one local pastor who has completed Course of Study. Nominations are made by the District Superintendent in consultation with the Chairpersons of both the Conference Board and District Committees on Ordained Ministry. The work of this Committee is described in Standing Rules Par. 415.

Par. 606. District Board of Location and Building. Each district may continue to have a District Board of Location and Building, or it may choose to assign those responsibilities to another group as determined by the District. In either case,

2019 Journal of the Annual Conference – Part IV

Chapter Seven

RULES GOVERNING CLERGY HOUSING

Par. 701. Parsonage Requirements. Set forth below are required and recommended parsonage standards. The required standards are the minimum requirements that all existing parsonages must have by June 1, 2007, and that any parsonages purchased after May 30, 2003 must have. The suggested standards give the Bishop and the Cabinet more flexibility when assigning a pastor; parsonages not meeting the suggested standards may limit who can be sent to serve that particular church or circuit.

1. Required Standards. In addition to the requirements set forth in *The Discipline* for parsonages, the following items are required for all parsonages in the Conference. Parsonages must comply with them unless exempted by the District Parsonage Committee.
 - a. Electrical wiring that meets code and is sufficient to meet today's needs for electricity.
 - b. Climate control both heating and air conditioning
 - c. Rooms: living room or great room; dining room or eating area large enough for at least eight people; kitchen; three bedrooms; two baths; indoor laundry area; shelter for two vehicles; secure storage area
 - d. Equipment: good quality dependable appliances; stove; microwave; dishwasher; refrigerator with freezer compartment; washer and dryer; hot water heater of at least forty gallons; wired for basic cable or satellite dish service; maintained smoke alarms; current fire extinguishers for kitchen and other required areas; vacuum cleaner if there are carpets.
 - e. Lawn Maintenance: if no lawn service is provided and the pastor is expected to maintain the lawn, the following are minimum requirements: gas mower; trimmer; weed eater; rake; shovel; electric or gas hedge trimmer if needed.
 - f. Security System: monitored security system that insures the security of the entire house.
 - g. Furnishings: quality window coverings in neutral colors that insure privacy; quality floor coverings in neutral colors that are durable and easy to maintain.
 - h. Maintenance: regular pest control inspection and treatment; annual termite inspection and treatment; annual inspection and cleaning of ductwork as needed; landscaping and maintenance thereof should be representative of the neighborhood; regular schedule for painting both on the outside and inside of the house as needed; any needed repairs should be done in a timely manner; annual carpet cleaning; regular maintenance and cleaning of chimneys.
 - i. Location of all new or replacement parsonages: should not be on the main church property but at a distance that insures privacy for the pastor and family; needs to be located in a good school system; should be located in what is perceived as a safe community; location that permits children.
2. Recommended Standards. The following standards are not mandated, but each church is encouraged to meet these standards as fully as possible:
 - a. Rooms: four bedrooms; family room; study; two-car enclosed garage.
 - b. Equipment: garbage disposal; freezer.
 - c. Handicapped Accessibility: at least one walk in shower and one tub; physically disabled accessibility throughout the house.
 - d. Safety: permanent equipped hurricane shutter for all exposed exterior glass areas within ten miles of the coastal shoreline; safe storage area for paints, gasoline, or other flammables.
 - e. Lawn: irrigation system for the yard.

Par. 702. Housing Allowances.

1. Determining the Amount of the Housing Allowance. The District Trustees or the District Housing Committee (DHC, see S.R. Par. 606) shall determine, no less than every four years, the minimum housing allowance for the District, or portions of a District. The minimum housing allowance shall be the amount necessary to rent or own one of a number of single-family residences or condominiums within reasonable commuting distance of the churches within the District, not to exceed twenty miles. The residences used as models for the calculation shall be in compliance with the Conference standards for parsonages. It is recognized that there may be wide differences in costs within a District. The DHC or the District group with the responsibility may, for that reason, determine several costs, depending on the location of the churches in the District. The District Superintendent must approve variances with the approved minimum housing allowance. The District Trustees or DHC shall provide listings of potential residences to churches within the District that offer housing allowances and to pastors new to the District. In addition to the amount of the housing allowance, an equitable utility allowance, set by the church leadership in consultation with the pastor, shall be paid to the pastor by the church. The church may assist the pastor (if renting is desired) in paying a security deposit. If the church makes such a payment and the rental unit is not left in clean condition and a portion

of the security deposit is not returned to the church, the pastor will be responsible for reimbursing the church. It is understood that if the pastor selects a rental unit it shall have an annual lease that will commence at the beginning of the appointment year and end at the conclusion of that year.

2. Procedures for Congregations Considering Housing Allowances.
 - a. Any congregation considering a housing allowance shall consult with the District Superintendent to understand all the positive and negative aspects of housing allowances.
 - b. Before implementing a housing allowance, a congregation must obtain the District Superintendent's permission and have the amount of the proposed allowance approved by the DHC or the party fulfilling that role. As a part of the request for permission, the congregation must present a tentative draft budget for the first two years and demonstrate the impact of the change on the overall fiscal health of the congregation.
 - c. If the congregation decides to sell an existing parsonage, the church leadership shall follow *The Discipline* guidelines for selling the parsonage and using the proceeds of the sale.
3. Allowances below the District Minimum Rate. Churches currently paying housing allowances below the District minimum rate must, in consultation with the District Superintendent, develop a plan that is approved by the DHC or the party fulfilling its duties which would bring the allowance up to District minimum in a reasonable amount of time.

Par. 703. Parsonage Furniture. Each clergyperson shall be responsible for providing the furniture in the parsonage, except for the appliances, window and floor coverings, and other items set forth in Standing Rule Par. 701.
