

## Note of Encouragement

Dear Children's Ministry Leader & Volunteer:

Everything you do, from teaching Bible lessons to 4th graders to preparing snacks for toddlers, flows from your relationship with Jesus. As a Children's Ministry volunteer, you are planting seeds of the gospel in the hearts and minds of children with every song you sing, game you play, and snack you give. Every gospel-centered conversation you have with a little one is bursting with opportunity to be used by God in the life of a child. Parents appreciate your service more than you can even imagine. The ability to attend a church service with peace of mind that their child is well taken care of is a gift, and they are very thankful. Your ministry to children in your church is so very important. The church could not fulfill its mission and vision without your sacrificial and loving ministry to children and families. Know that the leadership of the church appreciates your service, and so do I. Hebrews 6:10 says, "God is not unjust; He will not forget your work and the love you have shown Him as you have helped His people and continue to help them." God sees your service in Children's Ministry. He remembers it, and your service is showing Him love. The kids in your class talk with their parents all week long about the Gospel lessons you taught them. They look forward to your warm welcome, fun games, spirited songs, and life giving lessons each week.

**Be encouraged... you are loved!**
