## HEALTH INSURANCE

Shopping for Health Insurance is easy with FLUMC Private Health Exchange! No need to jump to multiple websites to compare plans, members now have an easier way to evaluate available plans from leading companies. You can also see if you qualify for a premium tax credit (subsidy) and apply it towards your monthly premium payment.

**Decision Support** - Our "Best Fit" interactive decision support tool helps you make a more informed and personalized decision across a range of health plans. "Best Fit" guides you through the buying process by asking a few simple questions and then suggesting the plan that best fits your individual needs. For a more personalized approach, feel free to use our Live Chat feature or schedule a one-on-one appointment with one of our licensed Benefits Counselors.
