Paychex—Payroll-Processing and Tax-Compliance Solutions

Since June 2018, Wespath has partnered with Paychex to help provide an option for our churches who might be looking to move payroll-processing and tax-compliance solutions to an outside vendor.

- Paychex knows how to suppress the Medicare and Social Security taxes for the employer's portion
- Paychex knows how to complete the W2 for the clergy appropriately.
- Paychex understands the clergy housing allowance, housing exclusion, healthcare stipends, taxable earnings, non-taxable earnings, deductions as pre-tax, after-tax or Roth deductions for the United Methodist Personal Investment Plan.
- Paychex will automatically send your UMPIP deductions each pay period to Wespath for you.

Paychex has more than 45 years of experience, and currently serves more than 1,000 United Methodist Church ministries. The company has expertise managing withholdings, payroll via direct deposit or check, tax compliance, and timely deposits and filings, in addition to providing custom reports for financial review and facilitating UMPIP contributions. Plus, UMC organizations receive a discount of 35% on Paychex services!

Paychex invites you to visit their virtual booth to learn more about their services.
