

2022 Report of Retired Clergy
(not under appointment)

In I Corinthians 3:6, the Apostle Paul writes, "I planted, Apollos watered, but God gave the growth." In this verse of scripture we are reminded that we offer gifts to God's people, and that in the providence of God, and in due season, these gifts blossom and bear fruit. And so every pastoral conversation, every sermon, every baptism, every confirmation, every prophetic word, every communion service, every wedding and every memorial service becomes a part of God's eternal work. In the retired relationship, we still want to keep in touch and know what you are doing. To that end, please submit this report to the church where your charge conference relationship is held. With admiration for all that you mean to the life of this Annual Conference, Bishop Ken Carter

Per ¶ 357.5 2016 *Book of Discipline*: Retired Clergy Charge Conference Membership

a) All retired clergy members who are not appointed as pastors of a charge, after consultation with the pastor and the district superintendent, shall have a seat in the charge conference and all the privileges of membership in the church where they elect to hold such membership except as set forth in the Discipline. They shall report to the charge conference and to the pastor all marriages performed, baptisms administered, and other pastoral functions. If they reside outside the bounds of the annual conference where membership is held, they shall forward annually to the charge conference where membership is held a report of their Christian and ministerial conduct, signed by the district superintendent or the pastor of the affiliate charge conference where they reside.

Please report the activities related to ministerial office in which you have been involved in this year (sermons, funerals, baptisms, weddings). All responses should cover the period from last year's charge conference to a Sunday near the time of this charge conference.
