After consultation and with the written consent of the pastor in charge, and with the approval of the district superintendent and the staff-parish relations committee of a local church, clergy members shall designate a charge conference within the bounds of the annual conference to which they shall relate and submit an annual report. They shall report all marriages performed, baptisms administered, funerals conducted and other ministerial activities to the charge conference, pastor in charge, and Board of Ordained Ministry. The exercise of this ministry shall be limited to the charge conference in which their membership is held and with the written permission of the pastor in charge unless special permission is granted by the bishop of the conference where membership is held. With the permission of the bishop of the conference where membership is held, under the supervision of the district superintendent, the clergy member may preach, teach, perform marriages, and, if holding sacramental privileges, administer the sacraments outside of the charge where membership is held.
